David S. Shefrin & Associates

Higher Education Management Consultants

The market for Career Schools has always been good. Today, it's never been better! Everybody (*and it seems like everybody*) wants to be in the school business. Before you put your school on the market, find out what it's worth. We'll analyze your school and tell you what it's worth. We've been evaluating schools for owners and buyers since 1997 and have a sound methodology that makes us a leader in the field.

Work with **David S. Shefrin & Associates.**, *Higher Education Management Consultants* and take advantage of our *Proprietary Numerical Analysis™*. We'll help you understand what you have and what it's worth.
